Who we are and what we do:

Our company specializes exclusively in generating a steady flow of monthly eviction work & collection revenue for our attorney clients.

Our company has two major goals for each of our clients:

1. For our clients profile pages to show up on Google's® first page results when landlords search for any eviction related topics.
2. For our clients to make at least a 3:1 return on their monthly territory fee.

How do we achieve our goals?

- A. The Kick'em Out Quick® brand is picked 72% of the time* by landlords when searching online for an eviction attorney.
- B. Our clients web profile pages are professionally designed & optimized for the highest possible Google® ranking.
- C. We provide the (4) specific types of information that landlords are looking for when searching online.
- D. We will pay your firm 10% of any monies recovered from tenant judgements submitted through our collection agency.

KICK'EM OUT QUICK®
EVICTIONS & COLLECTIONS

Landlords specifically search online for the following (4) topics, when considering starting an eviction:

1. The eviction process of their County or State.
2. Free tenant eviction notices & forms of their County or State.
3. An eviction attorney and / or an eviction service in their local area.
4. A collection service that is willing to pursue their tenant judgement.

Become our client we will design your firms web profile pages based on the (4) topics listed above. We will then create an aggressive Google® and Face Book® advertising campaign in your territory to promote your new web profile pages.
